We have many items coming up in the months ahead but let me slow down and talk about February.

*Super Bowl Party

*Valentine Dance

*Mid Year Convention

*Nascar is back

*Big Pool Tournament

*Beach Beer Pong

*Rock-a-thon fundraiser

*New DJ Entertainment

I look forward to seeing everyone out for our Annual Super Bowl Party and Pool Tournament. We have a entire day of events so plan on coming out for fun and fellowship on February 7th. Doors will open at 12.

Nascar race season kicks off, February 21. Kitchen will be running food specials and we will have dollar can beer.

It is getting close to your last chance on the NCMA \$10,000 raffle. We have got to sell our quota (approximately 160) state tickets. You can get tickets from any Social Quarters employee.

Our employees deal with a lot of issues that are unique to our lodge and the Moose. Let's not forget to tip as this is a large part of their pay. We all are quick to criticize and gossip. Wouldn't the world be so much better if we were as quick to complement and help. Let's make this a great Moose Year!!

Campground News

New Golf Cart Stickers are in, yearly registration cost is \$10.00 per golf cart. We have got the paperwork in place for the new campground rule change. In order to place your lease up for sale, it has to start in the office. Fill out the paperwork and pay the listing fee of \$100.00. This is new, but we have to get all on board. Thanks to the ones whom have come forward and listed theirs and the ones that have asked about the rule. It takes time to make adjustment and change paperwork so thank you for your patience. We are here to work together, let's moving forward and get all leases that are for sale listed in the office. This rule may seem bit different; however it's for the protection of other campers with a lease. We sure didn't want more paperwork, but felt the items going on that it is the only way to protect all that have an investment in the campground.

PET Rule needs to be followed, please be aware of the rules and help us patrol and enforce them. This is with all rules, it takes the membership to be aware, have open eyes and address issues. When we turn our head, we just create more issues and NO one learns or benefits.

Women of The Moose

Come out and join us for the Valentine Dance on February 13th. This is one of our fund raiser events. Funds raised goes toward Moose and our local community projects that we do

We want to Thank our members and volunteers that go each week to support the back pack program in our local schools. Remember we collect food and donations in lobby.

Mark your calendar for the 2nd and 4th Mondays @ 7, our monthly meeting. We love have more ladies to come out. This is were we do business and items to support the lodge and Moose.

Always remember our sick and distress, we have had members who have lost love ones and it seems everyday we learn of another member of family member that's dealing with issues.

On another note I want to personally thank everyone for the love and support you have shown me during the holidays.

Governor's Corner

Now that we have survived the blizzard of 2016, we set our sights on the month of February. We have the Super Bowl Party, and the Pool Tourney coming up, and then the Valentine's dance around mid-month. Then believe it or not it's time to kick off racing season again and Sunday's with the race on the social quarter TV's.

Most importantly some of your officers will be heading to Greensboro to represent our lodge at the NCMA state conference. I encourage all members to attend this conference as this is where much is learned about the moose in our state and on the international level. In addition, keep your eyes on the activities calendar contained in this bulletin for all activities at your lodge. Most every weekend there is something going on either on Friday or Saturday. Come on out and have some fun.

In closing I must send out my thanks to Rick Bradley and the campground committee for clearing our roads after the big storm. There were several members that assisted Rick in this effort as well. Give them a pat on the back when you see them.

Have a great month!

Don Cody, Governor

THANKS, We had lot better turn out in Le noir at our Winter Celebration. We sold out tickets, however this is first time that no money came back to Marion. We will get them in Boone.

Our members are presenting us well in pool tournaments and they will have to come out to bet us. Overall good weekend and lets keep it going. Lets make it a celebration, what its called.

On monthly meeting we've been having good turn outs. February is winter month and we are doing soup evening. Our next social will be February 11th. Looking for special soups and sides.

Once last item, we've got to get busy on checking the arrears list and collect dues. Work on signing up new and former members to keep our Moose legion strong.

Carry your Membership Card at all times!

A service of tribute will be made available to the family of any deceased brother Moose. To arrange for this you need only to contact the Lodge with the funeral home, time and day. Evening service for this tribute would allow a greater number of the brothers to be present. There is a graveside service in lieu of religious rites available. If this is desired, follow the above procedure.
