# Administrator

Thank You Moose Members for supporting Mooseheart, Moosehaven and your lodge. By renewing and keeping your dues current, you show support to all. Thank you for your involvement in multiple projects that go on week in and week out.

One item that continues to bother me is the amount of funds we waste by mailing out the bulletin. The bulletin is an important source of information and news to the membership; however with today's technology, we should be able to cut printing and postage cost tremendously. You have a copy of the bulletin with you if you have a smart phone. It's located on marionmoosenc1705.org. You check facebook on a regular basis, why not keep up with lodge bulletin on the same device. If you a like hard copy or calendar, you can print it out. But to save the lodge funds, we must hit the NO mail button on your membership record or it's going continue to have you on the mail out list. In order to take you off the mailing list, we need you to submit a request and provide an email address. The Moose International web site has also changed and it is a lot easier to find information and PAY your dues. When paying dues on line, print your receipt or save it to your phone so you have with you when ask to see your membership card. You must have your membership current to access the lodge and lodge property. If you have a guest, they must have proper ID.

*Al Reel, Lodge 1705 Administrator*

**Ice - \$2.00 per bag Kitchen prices will adjust due to cost of products and supplies**

**Youth under 12 must vacate the Social Quarters by 11pm. NO 2 party checks without prior authorization. Know the rules on guest, youth and serving. Credit Cards fees apply to both kitchen and SQ.**

## Women of The Moose

Wow, off to a crazy busy start, first, Thanks for words and prayers as I have had to visit the doctor myself. On the Moose business, we are off and running with computer issues and everyday items. We can't let that hold us back, we must be ready for events and prepare for June and July. International convention in July and I will be representing Marion, with this being said we need our members to step up and volunteer during the 4th and other functions. Need help for brunch breakfast, golf cart parade and watermelon contest. Help is always needed to help in many functions. We have a great relationship with the men and need to continue work together to strengthen our lodge.

The bulletin info went out prior to the car show, hoping we can give a good report and raise funds for Special Day. Our meetings are 2nd and 4th Mondays at 7pm. Please and always keep sick and distressed in your prayers

*Debbie Cantrell Green - Sr Regent*

## Governor's Corner

We are going to have a Meet and Greet evening for our new membership on Monday June 26th at 7:30 pm, this invitation is for all the members and sponsor from January 1, 2017. We have had some great membership promotions and Moose International had Honor our Hero's campaign.

These items were very successful and we feel it would be good to take a big hour and have a meet and greet evening. We'll begin the evening with a free social, answer questions and meet and greet your fellow members. We would like to have a minute to talk MOOSE, explain Marion Functions, events going on, and to let you all know what you joined and how important you are to us. Please make plans to join us!

This is just an evening to discuss the progress of Marion and the Moose. This evening will be a social with a bar setup and snacks for all new members and their sponsors. In addition, all new members will receive Moose Bucks to spend after the greeting, and the sponsors will also receive a package for them being a preferred member of the order.

-Leonard Frady, Governor

### Moose Legion Activities

The second Thursday comes early this month. The next membership meeting will be June 8th with a social starting at 6:30. We all need to work on promoting the membership in the Lodge and Moose Legion.

We will be having a call evening prior to the social to call those members in arrears (member late on paying their dues). We need volunteers to help make these reminder calls.

### Please donate or volunteer to help raise money for the 4th of July Fireworks!

A service of tribute will be made available to the family of any deceased brother Moose. To arrange for this you need only to contact the Lodge with the funeral home, time and day. Evening service for this tribute would allow a greater number of the brothers to be present. There is a graveside service in lieu of religious rites available. If this is desired, follow the above procedure.
