If you view the bulletin on a monthly basis, you will see a big difference in this one and even maybe different in months to come. We are asking for updated information and even membership thoughts and suggestions. Any suggestions or items that you might want in the bulletin must be in by the Monday following the Moose Legion Social on the second Thursday of each month. We have a lot of work in the office and must have time to plan and create the bulletin as other items are always coming up.
